

- Easy installation with no plumbing required. Can be easily placed near most work hazards with single bracket mounting device.
- Large 60 ltr capacity permits thorough flushing by providing 1.5 lpm over the entire 15 minute flushing period required as per ANSI Z 358.1-2009 and IS:10592-1982.
- Nozzles cover a wide area around the eyes. Simple strap design allows easy removal and activation for hands-free flushing, leaving hands free to hold eyelids open.
- Easy-to-use design features simple, highly visible operating instructions on the unit itself.
- EN 15154-4:2009, AS 4775-2007, ANIS Z358.1-2014

Applications

- Chemical and Pharmaceutical work sites
- Fire and Emergency Teams, Hazmat vehicles
- Remote places in Mining, Agriculture and Construction
- Disaster Management Sites
- Ideal for locations where a plumbed water source is not available

Weight: N.W 4.7 kg, 39kg full.
