

TECHNICAL DATA SHEET

Eyevex[®]
Our vision. Your safety

Brand: EYEVEX
Item Code: ER 1600 SLV
Classification: FFP1 NR

Standard Compliance:
EN 149:2009+A1:2009

Description:
Disposable respirator w/ Valve

Protection:
Solid particles & Non-oil based liquid particles
from sprays-tested for mean particle size of 0.3micro meters

Features:

- Ergonomically Shaped For Comfort & Ease of Use.
- One Way Exhalation For Easy Breathing.
- Adjustable Elastic For Secure Fit.
- Concealed Nose Clip.
- Ultrasonically Welded Mask.

Product Information:

- Color: Mask Body- Green, Valve-Green, Elastic-Green.
- Weight- 13.4 Grams.
- Breathing Resistance- Less Than 2.1 mb.
- Filtration Efficiency- More than 80%.
- Packing: 1x15x32 per carton

Suggested Application:

- ❖ Ferrous & Non Ferrous Metallurgical Industries.
- ❖ Dyes & Dyestuff, Printing, Soldering, Battery, & Fabrication Industries.
- ❖ Handling Chemicals, Mines & Quarries, Pesticides & Insecticides Industry.
- ❖ Grinding, Agriculture Industry, Coal Industry & Glass Itching Etc.
