

TECHNICAL DATA SHEET

EyeveX[®]
Our vision. Your safety

Brand: **EYEVEX**
Item Code: **ER 2301 SLOV**
Classification: **FFP2 FR**

Standards:
CE EN 149:2001+A1:2009

Description:
Disposable Respirator w/ Valve

Protection:
**Protection against Gaseous Welding
fumes & Nuisance Odour**

Features:

- Fire Retardant.
- One Way Exhalation.
- Ergonomically Shaped For Comfort & Ease of Use.
- Made Of Non Allergic & Comfortable Material

Product Information:

- Color: Mask Body- Grey, Valve-Red, Elastic-Red.
- Weight: 15.43 Grams.
- Breathing Resistance: Less Than 2.5mb.
- Filtration Efficiency: More than 94%.
- Packing: 1x15x32 in one carton

Suggested Application:

- ❖ Ferrous & Non Ferrous Metallurgical Industries.
- ❖ Dyes & Dyestuff, Printing, Soldering, Battery, Welding & Fabrication Industries.
- ❖ Handling Chemicals, Mines & Quarries, Pesticides & Insecticides Industry.
- ❖ Grinding, Agriculture Industry, Coal Industry & Glass Itching Etc.
